Place Call

1. Make sure Call is selected and press OK or the green Call button on the remote control.

2. Use the Cursor keys of the remote control to select the Search or Dial field, as outlined.

3. To enter numbers just press the corresponding keys on the remote.
   To invoke the virtual keyboard, use the left arrow Cursor key to move to the 123 field. You may now move about the keyboard and select characters. Press OK to select a character.
   Select the green Call field on the screen or press the green Call button on the remote to place the call.

Place Call from Contact List

1. Make sure Call is selected and press OK or the green Call button on the remote control.

2. Use the Cursor keys on the remote control to go between Favorites, Recents and Directory and then down in one of the lists.

3. Once an entry has been located, press OK on the remote control to invoke the Call menu. Then press the green Call button or the OK button on the remote control to place the call.

Change the Screen Layout

1. Navigate to Layout (layout) in the upper right corner and press OK on the remote control. This icon will appear only when relevant.

2. Use the Arrow keys on the remote control to move horizontally to the new layout you would like to use and press OK.

Receive or Decline Calls

If someone calls you, you may accept, decline or ignore the call.
If you decline the call, busy information will be sent to the calling party. You may also use the keys on the remote control directly.
Content Sharing

Use this feature to share content on your PC in a call or outside a call.

1. Make sure your presentation source is connected and On. Select Share and press OK on the remote control.

2. Select the source to be shared and press OK on the remote control.

3. The size of the shared image is controlled by means of the Minimize/Maximize field. Select this and press OK on the remote control, if needed.

4. To stop sharing content, select Stop sharing and press OK on the remote control.

The Screen and the Remote Control

Access Standby mode, System information and the Do Not Disturb feature

Access the Camera Control menu

This icon appears to indicate that Proximity has been enabled for this system

Access the Camera Control menu

When set to Do Not Disturb, ringtones are muted and call attempts made by others to reach you, will appear as missed calls. You may, however, place calls as much as you like.

Use this to place calls

Use this to share content

Use the Cursor controls to move about the screen and press OK/Enter to open the selected menu field.

Use the Cancel key to exit a menu (and return to the Home screen) undoing any changes. Use the Back key to go just one step back.

Volume control and Increase/Decrease control

Field selector/ Cursor keys

Microphone mute/ unmute

Reject incoming call / End call / Cancel / Back to Home screen (outside calls)

Keypad

OK/Enter

Go back one step

Place call / Accept incoming call
